

# Members Not Qualified for State Finals

If your name does not appear here and your membership is current, you have already qualified for the Finals. If your membership has expired you may want to call me to see if you can get qualified. If you think this is in error, please call me immediately and I will get it corrected.

Results as of September 26th. These members are not eligible for State Finals.

If you have been to another district for a State Qualifying show, please call me ASAP.

I have the results from District 12's race that was a State Qualifier, and I have the results from January's City of Industry races. If you are using another District's Race that is a State Qualifier, please let me know.
